The Workshop Kitchen wins 2 Glass Wine Award

The Workshop Kitchen is the proud recipient of a 2 Glass rating for its extensive wine list in Australia's 2017 & 2018 Wine List of the Year Awards. This global accolade recognises world class wine lists and establishments that are committed to presenting the best possible wine selection and service to their customers.

"We're delighted to be the first restaurant in the region to ever receive a 2 Glass rating.

Our dynamic wine list features over 180 wines on the menu with 50 wines by the glass - so you're spoilt for choice. I believe each wine list should tell its own story and take the reader on a journey of discovery. I hope you find as much pleasure in our wine selections as I did in creating the list."

CORAVIN WINE BY THE GLASS

The Workshop Kitchen and Coal Bunker bar are now proud to offer a vintage selection of wines thanks to Coravin wine preservation technology. Coravin technology allows wine to be accessed through the use of a surgical steel needle that pierces the cork, purges the air inside and withdraws the wine. This allows the cork to remain in the bottle, undisturbed to prevent oxidisation and maximise quality preservation.

PARTNERED VINEYARD

Please enjoy a limited selection from this seasons partnered vineyard

THE LANE VINEYARD

Located high in the Adelaide Hills at up to 500 metres, The Lane Vineyard experiences a high degree of diurnal temperature variation, with hot sunny days, quickly followed by cold evenings. This imparts a mineral freshness, a well balanced acidity and European clarity to their grapes. Created with a restrained style of wine making which is unforced and nuanced, these are high quality wines that age gracefully.

First plantings were in 1993; by yield, sixty percent of their production is white wine, with forty percent red and segmented into Heritage Wines, Occasion Wines and their Block Series.
